To Prof. Dr. László Trócsányi  
Rector of the Károli Gáspár University of the Reformed Church in Hungary

Dear colleague,

I hope this letter finds you well.

I am pleased to inform you that Gori State University is organizing an International Summer School "Georgian History and Culture" on July 24-28, 2023.

The school aims to provide the students with the environment that will encourage intercultural dialogue, which is crucial in today's world. The students will have the opportunity to meet students of different professions and disciplines, from different universities, build connections, which will benefit their future careers and make friends for life. At the end of the course, the participants will be awarded with certificate of participation.

The summer school consists of interesting academic courses, conducted by the finest professionals, socio-cultural activities and excursions to important landmarks of Shida Kartli, which will help the participants learn more about the rich history and culture of Georgia first-hand.

It is our great pleasure to invite 2 students to participate in our Summer School. Additionally, the travel expenses should be covered either by the sending institution, or the participant him/herself. All the other expenses will be covered by Gori State University.

I trust this information is sufficient, however in case of questions regarding the Summer School, please do not hesitate contact Ana Chochia (e-mail: [ircontact@gu.edu.ge](mailto:ircontact@gu.edu.ge)) of Gori State University International Relations Department.

Sincerely,  
Prof. Dr. Giorgi Sostashvili  
Rector
